Goliard

Fetească Neagră Rosé 2025

Total acidity: 6.8 g/l

Name: Goliard carries the motto “Spiritul Aventurii”. The label says the wine is inspired by the free spirit of the medieval goliards and is the fruit of an endless journey through taste, time and inspiration, just as the wandering poet found his muses in inns full of good cheer or under the open sky.

The label: On the Goliard Fetească Neagră Rosé 2025 label, a pencil drawing shows a man in a hat sitting in the grass and playing the guitar, with an open book beside him. The back label links it to the bohemian spirit of those who seek truth in art, poetry and endless conversation, and describes it as a journey of the senses, an invitation to discovery.
