Soil: Sandy-loam soils typical of the Codru region

Climate: Mild climate with a mean annual temperature of about 12 °C and moderate rainfall (Codru region)

Total acidity: 6.0 g/l

Name: Goliard carries the motto “Spiritul Aventurii”. The label says the wine is inspired by the free spirit of the medieval goliards and is the fruit of an endless journey through taste, time and inspiration, just as the wandering poet found his muses in inns full of good cheer or under the open sky.

The label: On the Goliard Viorica 2025 label, a pencil drawing shows a young man resting his chin on his hand before an open book and a glass of white wine. The back label links it to the bohemian spirit of those who seek truth in art, poetry and endless conversation, and describes it as a journey of the senses, an invitation to discovery.
